First Baptist Church Newsletter

I can remember when I was a child how slowly this time of year seemed to go. Spring break was over, and it seemed like summer would never get here. Perhaps if I was a teacher, I might still feel the same way, but today it seems impossible to believe that May is already here. It seems impossible that the school year is almost over! In a few weeks, I will be the parent of a high school student. In a few weeks, I will no longer have a child in elementary school. It seems like only yesterday that I was taking our children to preschool. Time has a way of flying past us, and those seasons of life that seem to last forever are really only a blink of an eye. As I look back on my life that seems to be flying by, I see memories I cherish, but I also see moments I wish I could have back. I see opportunities to show love that I missed. I see time that I wasted by focusing on things that really did not matter. You see, our lives are ever so brief, and we only have one opportunity to use each moment that is entrusted to us. So let's make each of those moments count! Let's intentionally choose to live a life focused on pouring out the love of God upon all those around us.

Summer brings some crazy schedules for families and churches, but it also brings some wonderful opportunities to invest our lives in the lives of the next generation. Have you considered investing a week of your life to help children encounter Jesus through Vacation Bible School? Have you invested some of your prayer time asking God to move in the hearts of children and students this summer? Have you asked God to show you how you can make your moments matter for eternity?

Life is so very short, and each moment that passes is a moment we will never have again. Let's use our moments intentionally. Let's use our moments to point others to the love of Jesus! Know that we love you. There is no where else we would rather be and no one else with whom we would want to share these moments of life!

Your servant,

Pastor Jason

I am typing this and wondering if the weather is going to continue to change. I have lived in the south my whole life, and never seen the weather like it is right now. Many meteorologists have their own way of interpreting it but only the Creator of the universe understands why it is the way it is. I still cannot believe that we are in the month of May. This year is flying by and before I know it my family and I will have been here an entire year. It seems like yesterday we were having conversations with the committee. This month has a special day in it that we recognize our mothers. Mothers are special individuals and many times when we are younger we do not realize the price they pay each day. There are many songs that most Godly mothers sing to their children growing up, however one that particularly comes to mind is "Jesus Loves Me." Anna and Susan Warner grew up near West Point Military Academy and lead Sunday School classes for those attending there. After their father passed away the sisters began writing novels and poems to support them financially. Anna wrote this beloved hymn in 1860. It was a poem to be spoken to a dying child. How many times have we sat and thought of this poem and what it really says to us. Jesus loved us enough to be the one and only person to die for us. Jesus Loves Me This I Know (Jesus Loves Me)

Verse 1
 Jesus loves me
 This I know
 For the Bible tells me so
 Little ones to Him belong
 They are weak but He is strong
 Chorus
 Yes Jesus loves me
 Yes Jesus loves me
 Yes Jesus loves me
 The Bible tells me so
 Verse 2
 Jesus loves me
 He who died
 Heaven's gate to open wide
 He will wash away my sin
 Let His little child come in
 Verse 3
 Jesus loves me He will stay
 Close beside me all the way
 On the cross You died for me
 I will ever live for Thee
 In His Service, Matthew Jones

Upcoming Events/Activities:

Fusion Groups – We are interested in starting up small groups in youth! All of the groundwork has been laid for the program except for the placement of leaders/teachers. Hopefully we can have this program in place by August as I'm hoping to start a fall session in September. What I will be needing is committed small group leaders, 2 food coordinators, and 2 host homes (one middle school house & one high school house). I'm extremely excited about this new layer of Fusion, and can't wait to get started next fall. If you feel led to help in any of the aforementioned areas of need, please contact me as soon as possible so I can fill you in and answer any questions you may have.

PraiseWorks & JoyWorks – Registration for WorshipWorks has begun online. For PraiseWorks, go to praiseworksarkansas.com // for JoyWorks, go to joyworksarkansas.com. JoyWorks is for children who have completed 3rd-6th grade while PraiseWorks is for students who have completed 7th-12th grade. Both of these camps are Worship Arts camps that train and equip students in areas of music (instrumental and/or voice), sound/video production, dance, etc. as they learn to become authentic worshippers and future church leaders. Both camps will be on the campus of Ouachita Baptist University on July 16-20. Please register today!

Other Info:

Our interns (Eric Hight from Olive Branch, Mississippi, and Rachel Young from Little Rock) have been selected and will start on May 21st. They have families/homes that have graciously offered to let these interns stay with them throughout the summer. **If you haven't turned in your deposit(s) for Super Summer, please do so as soon as possible!**

God bless!
Benjamin Carpenter
